My Dear Mr. Robinson:

Mr. Lake just called with your letter. It had been placed in another box which he does not often examine and we did not get the information as soon as otherwise.

We are very happy. May God bless this new association to the good of all concerned and the advancement of His Kingdom!

Mr. Lake will write you more about house etc as soon as he can learn what the trustees have done.

I sent you Sunday's Calendar and you will see that we want you to commence the work as our pastor with the Communion Service which seems most appropriate.

Our very best regards and wishes to you and Mrs. R. and baby boy.

Cordially

My dear Mr. Robinson,-

I am enclosing the address book which I promised you. I do not vouch for it being absolutely perfect, for, as you know, people have a fashion of moving and never thinking of letting you know and you have to find out the best way you can. However, it is the most authentic record to date.

Mr. Symes has asked me, as I was writing you, to let you know that the Session has decided to have the Communion Service on the second Sunday in July, the 10th, instead of the first, July 3rd. So many people will be away over Sunday and the Fourth that I thought it would be much better to have it the second Sunday and the Session so authorized it. It will be much easier for you too, I should think, instead of having the Communion Service your very first Sunday here. It will also give you the opportunity of conducting your own Preparatory Service and examining the applicants for membership on Confession of Faith. Unless I hear from you, I will know this meets with your approval and will put a notice in the Calendar next week to that effect.

With best wishes to Mrs. Robinson, I am

Very sincerely yours,

My dear Mr. Robinson,-

Thank you for your kind letter of June 10th. We were glad to hear of your acceptance of the Pastorate of our Church and shall look forward to welcoming you and Mrs. Robinson and your small son, the first of July.

You may be perfectly sure that I will cooperate and help you in every way I can in carrying forward the work of the First Church and the Kingdom.

I am enclosing the Calendars for the last few months, with one or two exceptions. You will find on the back of the more recent ones, the names of all the officers of all the organizations of the Church, and on the back of the Children's Day program you will find a list of all the Sunday School officers and teachers. We have not had a Church manual since 1916 and it is so out of date that it is useless. I am, however, making you an address book according to streets and hope to have it ready to send you by the end of the week.

Most of the activities of the Church close the end of this month, so I have no special ideas in mind just now. The Sunday School picnic is the last big thing scheduled and that will be held soon after your arrival. The Session postponed the June Communion Service - we have Communion every two months - until your arrival, the first Sunday in July and I have several persons "lined up" to unite with the Church both by Letter and upon Confession of Faith.

The Children's Day Service yesterday was splendid and we had a fine day and a fine crowd.

If there is any other information you wish, do not hesitate to write me.

With best wishes to you and Mrs. Robinson, I am

Dear Mr. Robinson:

I enclose Children's Day Program. It was a nice service. Wish you had been here. The church was full galleries and all. Infant baptism was cared for by Mr. Chadsey, retired minister who attends our church. John Fagg gave a most appropriate talk on "God, our Father".

We are all anticipating the very great pleasure of having you with us soon as our pastor.

We shall have a half dozen new members for you to receive the first day, perhaps more.

One lady said she could not hear you well the last Sunday here. Perhaps it was her fault. My ears are not any too keen but I had no trouble. Perhaps you may find it desirable to see a little more from next time. Use your own judgment however. You know I am much interested and have given you all facts to date. Am sure it will be a great season for our church and trust you^{all} will be very happy here.

just talked with Mr. H. H. Upsan, Jr., President
Board of Trustees. He says they are giving
attention to the subject of a manor, but
may have to rent something for a time.

Very best regards to all

Dear Mr. Robinson,-

Enclosed please find policy covering your goods while enroute and I trust same reached there in good shape and that you will not have to collect on your policy.

You talked with Maxson, Perdue and Ketchum the day after you talked with me and know just what to do in regard to insuring your goods there in Lockport.

I was very sorry not to have seen you and Mrs. Robinson again before you left.

Mrs. Britton joins me in sending you both our best wishes and hope we have the pleasure of seeing you all, at least, once in awhile.

I did not have any other address than the above, which M. P. & K. gave me.

Sincerely yours,

Bertram L. Britton

My dear Mr. Robinson:-

Yours of the 22nd, offering your resignation
as Assistant Pastor of the Church of the Covenant, was duly received,
and presented to the Trustees of the Church at a recent meeting.

We felt that it belonged to the Session of
the Church, rather than to the Board of Trustees, to take formal action
upon this. It was, therefore, referred to the Session, but made also a
matter of record with ourselves, together with an expression of grate-
ful recognition of the splendid service you have rendered the Church of
the Covenant, and congratulations upon the fine opening that comes to
you in your call to the Lockport Church. Our best wishes go with you,
and we anticipate for you a fine pastorate and a life of growing use-
fulness.

With my warmest personal regards, I beg to
remain

Very sincerely yours,
